

Universal wall mount for 86"-98" large format displays in portrait , max 800x900mm. 125kg

This universal wall mount features special long mounting bars for mounting large format displays with big VESA patterns, such as the [LH9852UHS-B1](#), in portrait mode. The mounts include fastening material to secure the mount to the display. Furthermore, they include a safety bar or fixation bar, offering you protection from theft; a padlock needs to be added separately.

Also available for the [LH9852UHS-B1](#) is a landscape wall mount model [MD 052B2010](#).
