

Floor lift on wheels for (touch) flat screens max 120 kg with lockable lid for protection

A motorized trolley for touch screens up to VESA 600x400mm. What makes this product so unique is its screen flexibility and installation ease, within just three steps the product is installed and ready for use. This wheeled stand with electrical height adjustment has continuous and silent height adjustment and an integrated screen bracket containing most VESA patterns, making it suitable for almost every display. The embedded VESA bracket has another special feature, it can be used as support for a Desktop PC at the back.
